Advancing healthcare through the delivery of infection prevention and patient safety solutions

In association with the British Association of Urological Nurses (BAUN), we are pleased to announce that we will be hosting **three regional educational events:**

The events are aimed at Urology Healthcare Professionals: Urology Nurses, Continence Advisors, District Nurses and Infection Prevention Nurses. They are **FREE** to attend and will take place over 2 days and cover the following areas:

Day 1: Strategies to Combat CAUTI

Day 2: Ultrasound Bladder Scanning Training

You are welcome to attend just one of the days or both days. Places will be allocated on a first come first served basis.

To register your interest contact your local BD/Bard representative or visit:
www.bardcare.uk/clinicians/training/events

See overleaf for full programme....
